Ahh... Nono-chan was so cute. I wonder if we'll meet again....
I know nothing about her except her name... but I still want to see her again.
(school bells) ding dong ding
I'd like to check this out if it's okay.
Check Out
Ah! It's him!
This might be the first time I've felt this way.
This must be heartache.

What kind of books did you borrow today?
Only once in a while...
You're in this school!? Do you come to the library often?
Nono-chan!
You're that... Ka-Kawagoe-kun from before...!
THIS WASN'T THE BOOK IN THE SCRIPT! I MUST HAVE BOUGHT THE WRONG ONE!
(THE WORST ONE AT THAT!)
The voice in his heart
Straightforward Sexual Education
UH OH!
Yeah, I like it too...
UWAA! HE JUST CONTINUED WITH THE SCRIPT EVEN WITH THE WRONG BOOK!
We have the same tastes!
No...
Wow! I really like this book too!
The original book
The Red Fruit Popped

The Red Fruit Popped or 赤い実はひけた is probably supposed to be a book about a girl's innocent love life. Coincidentally, there's a Vocaloid song with the same name and subject

I think reading fan fiction is totally cool.
Nah, I'm just like Nono-chan.
Kawagoe-kun sure knows a lot.
(Narration) "Thanks to this book, the distance between Nono-chan and me was bridged."
EXCEPT THIS DOESN'T HAPPEN IN REAL LIFE!
I HATE YOU!! LAST DAD!
"STRAIGHT-FORWARD SEXUAL EDUCATION"
...Nono-chan...
Sigh, I'd like to fall in love just once like in this book.
Mm?
whee
Ahh, I want to see Nono-chan in gym clothes.
buff
Okay!
Well, I've got fifth period gym, so I'll be going now!

What was that...?
We got him!
E-h. What?
PUNCH
Ugh!
Ow.. Awhh..
Where the heck is this place?
Wait
That wasn't a good sleep...
HYGA AAAA AAHH !!!

It's going to be hard to forgive anyone who's just going for a fling.
Ahh! You're the glasses guy from before!
So you're the one? The first guy I'm hitting on Nana.
You probably only care about her physically
It's cowardly to bully one person with a group!
I don't engage in such violent activity
Eh...?

Please kill yourself
THIS IS THE BEST!
Really?
AGAIN —— !?
